

Continuing Education Requirements

To successfully complete any NLN course and earn CEUs, participants must:

- meet the 100% attendance requirement*,
- complete the post-event survey, and
- complete the quiz questions, competency, or combination of both for learning assessment.

Only upon successful completion of the CEU requirements will the CEU Certificate be furnished.

PT/PTA Attendees: The NLN is recognized by the New York State of Education Department's State Board for physical therapists and physical therapy assistants as an approved provider of continuing education. The number of CEUs for each event are available on each event listing if applicable.

OT/OTA Attendees: The National Lymphedema Network is an AOTA Approved Provider of professional development. AOTA Provider number #165. Expires 7/8/2029. AOTA does not endorse specific course content, products, or clinical procedures. The number of CEUs for each event are available on each event listing if applicable.

RN, LPN, MD, MT, and other health care providers: The NLN is in the process of becoming an approved provider through NCBTMB. CMEs are only available for specific events. If CMEs have been approved for an event, the number of credits will be provided on the event listing.

Additional approvals will be posted on the event listing as they are awarded for that specific event.

*100% attendance refers to the fact that attendees must be present for the entirety of their chosen session. If an event includes multiple sessions, credits will be earned individually for each session attended in full.
